

Bubbles For Vets

Reuniting with Our Heroes,
One Dive at a Time

Bubbles for Vets is a Tampa, Florida based nonprofit 501(c)(3) organization dedicated to supporting veterans, first responders, and their families through the transformative power of scuba diving. After completing a mandatory 40-hour online scuba course, our valued participants are brought to Tampa for an immersive four-day, all-expenses paid, scuba training program where they complete their scuba certification, reconnect with the foundation of a family unit, build life-changing skills, foster a positive experience, and create endless shared memories.

But we offer more than just a certification—our program includes access to therapy and counseling services tailored to each family's needs for up to a full year after their experience. At Bubbles for Vets, we're not just teaching scuba diving; **we're committed to healing, connection, long-term support, and lasting impact for those who've given so much.**
